# Great Schools Clean Streams

## February 27- March 17, 2023

#gscs2023 #cleanstreamchampion

Dear Parent,

Help our school and keep local streams clean by participating in New Castle County's Great Schools Clean Streams contest! We could win up to \$1,500 cash!

Just visit [www.GreatSchoolsCleanStreams.org](http://www.GreatSchoolsCleanStreams.org) between February 27th and March 17th and promise to do your part to keep local streams clean and pollution free. Participating is easy, it takes just a few minutes of your time.

Thirty schools in New Castle County will win a share of the \$15,000 in prize money. The money will be used to pay for educational projects and classroom materials. We want to be one of the winning schools, and with your help, we can do it!

This project is supported by the New Castle County Department of Public Works. Working together with local schools, they hope to encourage residents to take small steps to help reduce local water pollution.

You might be surprised to learn that simple steps you can take at home like planting native plants, properly disposing of cooking grease, switching to non-toxic house cleaners, tossing pet waste in the trash, and keeping storm drains clean can help prevent local water pollution. It's true, taking some, or all, of these steps can make a difference!

We are excited to be a part of this contest, and hope you will help us win!

So why wait? Visit [www.GreatSchoolsCleanStreams.org](http://www.GreatSchoolsCleanStreams.org) and pledge to do your part today.

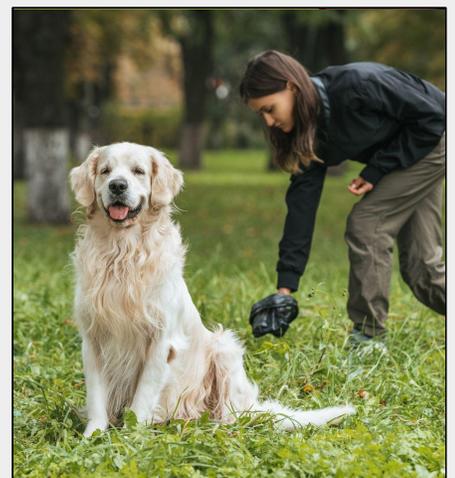

Thank you for your support!!

**You can help our school win money and keep local streams clean!**

### Pledging is easy:

1. Visit the Great Schools Clean Streams website.
2. Take the online pledge to do your part to reduce water pollution.
3. Assign your pledge to our school.
4. Track our school's pledge numbers.
5. Encourage friends and family to take the pledge and assign it to our school.
