Help our school win money and keep our local streams clean!

We're excited to share our school's participation in the **Great Schools, Clean Streams** contest. We could win cash prizes for educational materials or school projects—up to \$1,500!

Supported by the New Castle County Department of Public Works, this contest asks residents to become Clean Stream Champions by taking a five-part pledge to:

**GARDEN FOR
WATER AND LIFE**

**REDUCE HOUSEHOLD
CHEMICALS**

**CEASE THE
GREASE**

**SCOOP
THE POOP**

**ONLY RAIN DOWN
THE DRAIN**

Pledging is as easy as 1-2-3!

A pledge is simply a promise—there's no cost to you. Follow these easy steps:

1 Take the pledge at
GreatSchoolsCleanStreams.org

2 Assign your pledge
to our school

3 Encourage friends
and family to pledge

 **Mark your calendar and become
a Clean Stream Champion.**

You and your child can watch the contest standings on the website in real time! Also, be sure to follow our Facebook page for more information about reducing local water pollution: [@greatschools-cleanstreams](https://www.facebook.com/greatschools-cleanstreams)
